SIXTY DAY NOTICE OF INTENT TO SUE ENTITIES LISTED ON EXHIBIT A HERETO PURSUANT TO CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 ET SEQ

This Sixty Day Notice of Intent to Sue is sent by Dr. Richard Sowinski to the persons and entities listed on Exhibit A hereto (hereinafter "the Violators") to inform them that they have violated and continue to violate California's Safe Drinking Water and Toxic Enforcement Act of 1986 (Health & Safety Code § 25249.5 *et seq.*, commonly known as Proposition 65) by manufacturing air fresheners in California without providing a clear and reasonable warning that those products when used by consumers expose those consumers and all persons in the area of such use to Chemicals which are on the Governor's list, as expressed at 22 C.C.R. 12000, and are known to the State of California to cause cancer and reproductive toxicity (hereinafter "the Designated Chemicals").

(1) General Information.

For general information regarding Proposition 65, please see the attached "The California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): A Summary," which was prepared by the Office of Environmental Health Hazard Assessment of the California Environmental Protection Agency. (A copy is not provided to the public enforcement agencies which receive copies of this notice.) 22 California Code of Regulations § 12903(b)(1).

(2) Description of Violations.

Alleged Violators: Entities listed on Exhibit A hereto.

Consumer Product: Products designated as Air Fresheners or Neutralizers and identified by name and manufacturer on Exhibit A hereto.

The Designated Chemicals Involved in Alleged Violations:

1. Chemicals Causing Cancer

Acetaldehyde 90 (inhalation) (µg/day): 22CCR Section 12705(c)

Formaldehyde (gas) 40 (µg/day): 22CCR Section 12705(c)

Pentachlorophenol 40 (µg/day): 22CCR Section 12705(c)

2. Chemicals Causing Reproductive Toxicity

Ethylene glycol monoethyl ether (EGEE) 750 (oral) (µg/day) 960 (inhalation) (µg/day)

Ethylene glycol monoethyl ether acetate (EGEEA) 1100 (oral) (µg/day) 1400 (inhalation) (µg/day)

Ethylene glycol monomethyl ether 63 (oral) (µg/day)
Ethylene glycol monomethyl ether acetate 98 (oral) (µg/day)
Ethylene oxide 20.0 (µg/day)

Time Period of Violations: From at least July 1, 2005 to the present day.

Route of Exposure: Inhalation and ingestion.

Nature of Alleged Violations:

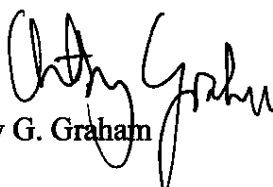

The Violators manufacture air fresheners for sale in California. When such air fresheners are used by consumers they expose those persons and all persons in the area of such use to the Designated Chemicals. As noted above, these Designated Chemicals are on the Governor's list, as expressed at 22 C.C.R. 12000, and are known to the State of California to cause cancer and reproductive toxicity. The Violators do not provide California consumers with clear and reasonable warnings regarding exposure to the Designated Chemicals as a consequence of the reasonably foreseeable use of air fresheners. Without first receiving clear and reasonable warnings (as required by Proposition 65), California consumers purchase air fresheners, use them and can thereby unwittingly inhale and ingest the Designated Chemicals, as can any other person in the area where the air fresheners are or have been used.

Noticing Individual: This Notice is provided by Dr. Richard F. Sowinski, who is a California citizen and who has an interest in protecting the public from health hazards posed by toxic chemicals. Dr. Sowinski's address and telephone number are: 1457 Ramsay Circle, Walnut Creek, California 94597, (925) 938-2693. However, Dr. Sowinski requests that all inquiries about this Notice be directed to him at the following address and telephone number:

Dr. Richard F. Sowinski
c/o Anthony G. Graham, Esq.
Graham & Martin LLP
950 South Coast Drive, Ste. 220
Costa Mesa, CA 92626
Telephone: (714) 850-9390
Facsimile: (714) 850-9392

Pursuant to Health and Safety Code § 25249.7(d), the Noticing Individual intends to bring suit in the public interest against the Alleged Violator sixty (60) days hereafter to correct the violations occasioned by the failure to warn of exposures to listed chemicals.

Very truly yours,

Anthony G. Graham

Enclosures

EXHIBIT A

1. President

CERTIFICATE OF MERIT
Health and Safety Code Section 25249.7(d)

I, Anthony G. Graham, hereby declare:

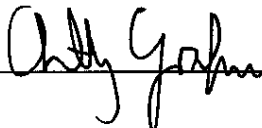

1. This Certificate of Merit accompanies the attached sixty-day notice(s) in which it is alleged the Violator has violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings.

2. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the alleged exposures to the listed chemicals that are the subject of the action.

3. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.

4. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed at Costa Mesa,, California on July 14, 2009.

CERTIFICATE OF SERVICE

I am over the age of 18 and not a party to this case. I am a resident of or employed in the county where the mailing occurred. My business address is 950 South Coast Drive, Suite 220, Costa Mesa, California 92626.
